- algae
- **Hydroponic Nursery**
 - Plant propagation
- **Working platform**
- **Floating jetty**
- **Wave attenuation**
- **Recreational Activities**

PRODUCT SPECIFICATIONS

- **Length:** 2350mm
- **Width:** 850mm
- **Depth** : 200mm
- **Area** : 3.75m²
- **Shipping weight:** 40kg
- **Shipping volume:** 0.75m³
- **Plant cells:** 30/unit
- **Plants/m²:** 8
- **Best pot size 1 ltr:** 115x97x108 deep
- **Colours:** Choose from range
- **Max load:** 2 persons/unit

PRODUCT ATTRIBUTES

- Recycled/recyclable polymer
- Light weight
- Shading/cooling
- Habitat – aquatic/waterfowl
- Ongoing supply of wetland plants
- Easy servicing/maintenance
